

Sinclair
Broadcasting's
decision to FORCE
their stations to
air an anti-Kerry
documentary literally
DAYS before the most
important election
in my lifetime is a
gross misuse of the
public airwaves.

Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest. Instead of
something produced
at "News Central"
far away, it's more
important that we
see real people from
our own communities
and more substantive
news about issues
that matter.

This action is
tantamount to a HUGE
(and illegal)
"in-kind" donation
of free advertising
space to a political
cause, NOT a
"newsworthy event."

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. Thank you.
